RE: ID# C00000935
Democratic Congressional Campaign Committee ("DCCC")
RFAI's dated January 9, 2008 regarding:
February Monthly Report (1/1/07-1/31/07)
March Monthly Report (2/1/07-2/28/07)
April Monthly Report (3/1/07-3/31/07)

Dear Mr. Ryan:

The contributions in question on Schedule B supporting Line 23 on the February Monthly Report (1/1/07-1/31/07) were earmarked contributions forwarded to designated candidates at the donor's request. Some contributions disbursed to candidates after the election date were received after the 2006 General Election and should have been designated to the 2008 Primary Election. We have amended our report to clarify the election designation.

The DCCC has disclosed all contributor information that has been made available and we have used our best efforts to obtain any missing information. We follow the best efforts procedures as stated in the Campaign Guide. In our original solicitation we inform the contributor of federal law reporting requirements and clearly and conspicuously request the contributor's name, address, employer and occupation for all contributions in excess of \$200.00. If any information is still missing when the contribution is received, we send a separate follow-up letter within 30 days of receipt to request the missing information (without soliciting a contribution) and inform the contributor(s) again of federal law reporting requirements. With the letter we include a pre-addressed, postage paid return envelope. The committee has amended Schedule A to include additional contributor information received.

Schedule A supporting Line 15 discloses reimbursements from federal candidate committees for postage, delivery and travel expenses. These reimbursements reflect the actual cost to the DCCC for these expenses.

The Committee received payments from American List Council, Inc. in consideration for the rental of lists that were developed by the Committee for its own political and campaign purposes. These payments reflected the usual and normal charge for the lists, which have an ascertainable value. The amounts of the payments were determined by looking to the amounts paid for similar lists under normal commercial practices.

We have amended the above referenced reports to reflect the accurate beginning cash balances and corrected totals on Line 8, Columns A and B.

Schedule B supporting Line 23 now reflects the full name, office sought, state and congressional district for each contribution made if applicable and the original contributors are now identified for both earmarked contributions and conduit memo entries for the above referenced reports.

We have amended the April Monthly Report (3/01/07-3/31/07), to show the Media Buy(s) and Mail Services Refunds on Line 15.
